

LewTer Logistics (Pty) Ltd

We handle all freight, perfectly first time!

LewTer Logistics (Pty) Ltd

- **Introduction:**

- At LewTer Logistics we believe in not only growing together with our customers but to empower our staff by continuous training, development and investing in them thru personalized attention to whatever need they might have. With collective experience of more than 35 years in the industry we believe we are the one company that can and will make a difference and taking courier, freight, logistics, warehousing and distribution but most importantly take service to the next level.
- A truly South African freight company with vast experience in the local and international markets with services ranging from courier express, Roadfreight, Seafreight, Airfreight, imports, exports, warehousing, distribution and procurement.

- **Vision:**

- To establish a footprint in the industry by not being the biggest courier and logistics company in the world but by building, maintaining and growing relationships with our customers by providing them the best service with the best rates available at all times, growing together with their businesses.

- **Mission Statement:**

- Our mission is to keep it simple, taking every customer serious no matter how big or small and we will achieve this by maintaining the highest level of standards and service on all aspects of the business, empowering people and staff to be the best they can be. No job is too big or small; it simply can be handled.
